Neighborhood Revitalization Initiative Project
Gateway Community

Where everyone has a decent place to live.
NRI Mission and Vision Align with Habitat’s

Habitat's Vision:
A world where **everyone** has a decent place to live.

Vision of NRI:
Neighborhoods across the country are revitalized into **vibrant, safe and inviting places to live** for current and future residents ....

Habitat’s Mission:
Seeking to put God’s love into action, Habitat for Humanity brings people together to build homes, **communities** and hope.

Mission of NRI:
Neighborhood Revitalization Initiative affiliates serve more families by responding to **community** aspirations with an expanded array of products, services and partnerships, empowering residents to revive their neighborhoods and **enhance their quality of life**.
NRI Mission and Vision Align with Habitat’s

Goals of NRI

• To serve more families through an expanded array of housing products.
• To demonstrate an improved quality of life in the communities where we serve.
• To broaden the base of Habitat’s financial support.
• To increase volunteer participation.
GCHFH builds approximately 8 new homes per year, but one house only goes so far...

What is NRI?

Volunteers and residents working together to improve the neighborhood’s quality of life
There are many benefits to volunteers and community residents alike.
**Phase 1:** have groups over Spring Break (late March-Early April)
- Remove trash and debris
- Trim existing shrubs and landscaping
- Repair any landscaping
- Construct new planting areas

**Phase 2:** Collegiate Challenge will paint homes (late March)

**Phase 3:** Clinton School Students will report findings (May)

**Phase 4:** Make 3 year strategic plan based on Clinton School findings
