We hope you share our passion for advancing community development in Arkansas. The members of the Arkansas Community Development Society are dedicated community developers working to bring people together and raise the quality of life across our state. ACDS' primary purpose is to support their professional growth.

Our members and guests meet once a year to learn from experts, share stories, examine trends affecting our state, and to honor the community work of individuals and organizations who make a difference. We invite you to join us by becoming a sponsor of the 2024 ACDS Conference: *We Can Stand the Heat: A Recipe for Successful Community Development* on April 30, 2024. At this themed conference, we will explore the hottest topics and latest trends in community development with a focus on ingredients for a whipping up a successful offering of community development programs and ideas.

As a sponsor, you will be recognized as a leader in helping Arkansas communities achieve their goal of making life better for every resident. If you are interested in becoming an exclusive partner in bringing speakers to the conference, I would be happy to discuss this with you. We appreciate contributions at every level and are prepared to provide the following benefits:
